BASICS OF ICE HOCKEY

It's a fast sport! The puck can travel at around 100mph, and the skaters are fast.

The game is played in three 20 minutes periods with the ice resurfaced between the periods.

The aim is to score as many goals as you can – Ice hockey does not end with a draw, so if its level score at the end of 60 minutes, the match will go to overtime and penalties shots.

When the match starts there should be 1 goalie, and 5 players for each team.

Then the fun starts, the match faces off.

The players are generally on the ice for about 1-2 minutes before they will switch "lines" (watch the bench here). 3 players may go off, and will be replaced by 3 other payers, and this will continue throughout the match.

As we said before Ice hockey is a fast sport, and this gives the guys a chance to recover.

Should any player get a penalty, which could be tripping, hooking, slashing, or even too many men on the ice (see above we are only allowed 5 players), the player who got the penalty will go to the penalty box, known as the sin bin.

Most penalties will be 2 minutes, but some are 5 minutes, like fighting, and some penalties can be more than this.

When this happens, the team with the person in the penalty box will be player one player down, known as a Powerplay to the other team.

The announcer will let you know, and the score board will show who's in the Sin Bin!

LAST WEEK'S

MAN OF THE MATCH

Mack Stewart earned a debut MOM at home on Sunday with a pacey attacking performance, and a goal which was down to his speed and finishing.

On Sunday Matt Smital took the award in Peterborough, standing up to some strong attacks, particularly when Phantoms were on the PowerPlay.

ROSS GREEN

PLAYER PROFILE

Born in Chelmsford, Ross Green has played all his hockey for MK teams - Lightning and Thunder. He's a real skating technician, with his edges and backwards skating particularly strong. He contributes through stay at home defence, with his experience and skill being massively appreciated by fans and his team mates.

TIM WALLACE

COACH'S COMMENTS

Overall it was a solid weekend. Peterborough is a structured team with a deep lineup. I was very happy with the attention to detail this group showed, especially for the amount of practices we've had. It was a great first step in the right direction. We are going to focus on us this weekend and do what we have to do to get two points against Sheffield.

AWAY TEAM'S
NOTABLE PLAYERS

Jason Hewitt grabbed 92 points in 44 NIHL National games last year. He is a talisman for the Steeldogs, a former Steelers stalwart and ex coach of the Hull Pirates. He is an offensive threat every time he is on the ice. Hewitt used his extensive experience from higher leagues to make himself a tough player to pick up and defend against.

Matt Bisonette brings experience from the major junior leagues in Canada and the Elite League. He's an assists machine, with 15+61 for 76 points in 40 games last year, look out for his playmaking skills and slick passing.

Jonathan Kirk is a consistent stay at home defenceman who is a commanding presence on the blueline and goes about his business with a quiet efficiency. You'll generally see him in the right place at the right time.
