LAST WEEK'S

MAN OF THE MATCH

Just one game this week, and it was Sean Norris who grabbed the award after an energetic performance with 2 goals and 2 assists. He's long been recognised for his tremendous skating and rifle-like shot, and these are hugely visible in Saturday's win.

JAMES GRIFFIN

PLAYER PROFILE

James Griffin is a dynamic defenceman who is known for his excellent skating and quick, skilful hands. It's a little known fact that James' skating skills come from the fact that he started life as a figure skater! He often dishes out huge hits on the opposition drawing roars of delight from the crowd, and roars of pain from his opponents.

TIM WALLACE

COACH'S COMMENTS

It was a great Saturday night at home, we played the way we needed to play for about 50 minutes of that hockey game. We got the two points, had some fun with a great crowd. We got some well deserved rest on Sunday which is rare and definitely needed. Now it's time to focus for a huge weekend against two very good teams. Basingstoke have been playing very well lately and Telford are the defending champions. We know what we have to do by now, it's up to each guy in the room to do what they have to do to prepare themselves for a battle on the weekend.
