## LAST WEEK'S

## MAN OF THE MATCH

On Saturday Liam Stewart sparkled with a hat trick and a match winning performance, particularly when he went end to end to score the winner in OT.

Sunday saw Bobby Chamberlain pick up the gong on his return to his native Hull after bagging a couple of goals in the first two periods, and sitting out the third with a minor knock!

## LEWIS CHRISTIE

## PLAYER PROFILE

Lewis Christie is a long term MKL defenceman who provides stability, consistency and plays a key role on the PK. This is Lewy's 12th season with Lightning and he's also played for MK Thunder and Belfast Giants. He has a knack of getting into the right place, at the right time, and is at the core of our defensive plans this year.

## TIM WALLACE

## COACH'S COMMENTS

Getting four points on the opening weekend is a great first step. Sheffield was a good test for us, it was a great environment and we stuck with it until the end. The crowds energy gave us momentum and helped us during that final stretch. There were some jitters early in the game but that is expected with some of our young guys. Sunday in Hull was a good team win. We stuck to what works and played as a team and got the result we wanted.

## MERCHANDISE

Dominic Gabaj made a massive impact when he joined the Bees midway through the 2019/20 season. He went on to sign a multi-year deal and took on additional responsibilities as an assistant coach. He is always a major offensive threat and sees serious ice time each game for the Bees.

24 year old Brendan Walkom joins Bees from the NCAA, where he was assistant captain of Bentley University. He played 4 seasons in the top tier of the US college system so is sure to bring skills and competition to the NIHL this year.

19 year old Juha Lindgren has scored 36 points in 44 games and made his GB debut with the U20s last year. A dual England/Finnish national, he learned his trade in the Slough Junior system before joining Bees last year.
