## LAST WEEK'S

## MAN OF THE MATCH

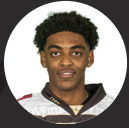

Ed Knaggs grabbed the plaudits in the away defeat to Swindon, earning the award through some confident, poised puck distribution.

On Sunday, Jordan Hedley backstopped us to the win against Bristol, and earned the MOM for 28 saves. He's on a 92.86% save percentage so far this year!

ZAINE MCKENZIE

## PLAYER PROFILE

19 year old Zaine McKenzie returned to MK after spending half of last year with the Bees. He's a committed player, taking the puck forwards and not being afraid to take a hit. His call up to the GB Under 20s, shows his potential and he's working hard to develop the scoring side of his game.

## COACH'S COMMENTS

Saturday was a rough night in the office. Swindon came out hard and played more desperate than us. We turned the page quickly and got to work on Sunday with a great performance. We played the way we needed to play with a great crowd behind us. Turning the page quickly is a sign of a great team. We are excited to play against an undefeated team and will put in the work this week to be ready to roll on Friday in Leeds. We need to play fast and aggressive at home on Saturday against Swindon, the team that has given us our only defeat.

## NOTABLE PLAYERS

Sam Bullas is a long-time Wildcats player and their Captain. Last year Sam grabbed a hat trick against us so watch out for his scoring capability and his disruptive role in front of the MKL net.

36 year old Tomasz Malasinski is a consistent points provider for Wildcats, grabbing 53 points in the 2021/22 season. He is an international, having represented Poland for a number of years.

Player Coach Aaron Nell picked up 85 points in the 2021/22 season, equally split between Goals and Assists. He's dangerous on the PP, and brings a good combination of man management and tactical skills which means Wildcats teams are always well organised.
