LAST WEEK'S

MAN OF THE MATCH

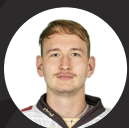

Super Tim Wallace grabbed 2 crucial goals to turn Saturday's match around and led from the front with skill and grit to grab the MOM.

Deivids Sarkanis grabbed 2 goals on the road in Peterborough in a tough game where he worked super hard to make a great impact.

PLAYER PROFILE

Matt Smital is 23 years old and spent his development years in the Bracknell junior system. He spent a year with Swindon Wildcats in 17/18 returning a .899 save %, before moving to Slough Jets where he averaged over 90%. He was born in the Czech Republic and is known for his imposing size in the net, as well as his great agility and positional play to stop shots.

COACH'S COMMENTS

Solid team performance at home on Saturday against a structured Peterborough team. After our first period, we bounced back and started to take over in the second and third. Sunday in Peterborough in a totally different environment was a different story. We had an average first period and then just tried to play run and gun high risk hockey in the second and it cost us. We need to find a way to play better on the road especially on small ice surfaces. We have a chance to take two points from the top team in this league this Saturday and that is our focus this week.

AWAY TEAM'S NOTABLE PLAYERS

Nottingham born Sam Gospel is a strong Goaltender who is a critical part of the Knight's defensive lines. Expect consistent, solid goaltending (and dancing) in every single situation from him. He brings a real confidence which allows Knights to push up the ice and build attacks.

31 year old Matt Haywood brings 10 years of Elite League experience in Scotland before returning home to his native Yorkshire this year. He's already picking up nearly 2 points per game and is a huge offensive threat.

26 year old Grant Cooper brings experience from the US NCAA college system and the East Coast Hockey League. In his first 11 games he's been absolutely prolific, scoring 31 points evenly split between Goals and Assists. A massive threat!
