LAST WEEK'S

# MAN OF THE MATCH

Deivids Sarkanis took his second home MOM in a row with a lively performance against Telford on Saturday.

On Sunday in Romford, it was Milique Martelly who impressed, looking to create chances going forward, and demonstrating his speed and agility in defence.

## PLAYER PROFILE

Jordan Hedley returned to MK this year after four seasons away in Coventry. Prior to that, Jordan had grown up in the Milton Keynes junior system. He's represented Great Britain at the highest level, including spending time in Finalnd earlier this year at the World Championships, and he has made a number of appearances at Elite League level.

## COACH'S COMMENTS

This past weekend was probably the best that we have played. Structurally we were the best we've been and we played the way we have been preaching all year. I thought we were hard to play against in both games taking away time and space for both Telford and Romford. Our willingness to play hard defensively kept the scoring chances against us very low all weekend. Hopefully we can take this weekend and realize that this is the way we need to play if we want to have success. Three games in three nights is never easy but we are going in the right direction. Basingstoke has some speed and physicality that we have to be aware of if we want to keep this train rolling.

ALWAY TEAMS NOTABLE PLAYERS

Brandon Aylife is a fast moving, agile forward who makes a nuisance of himself in offense all over the ice. He's a good competitor and has picked up 11 points in 13 games so far this year.

Harry Gulliver has scored a point per game so far this year since joining from Leeds Knights and Manchester Storm last year. He brings experience from his time as a junior in Swindon as well as the seasons he spent in North America

This is Matthieu Gomerlic's first year in the UK, having learned his hockey in the Canadian junior leagues. A clear scoring threat, he's picked up well over a point per game so far this year. He joins Raiders on the back of a stint in Atlanta in the ECHL and in the Canadian college system so definitely has loads of quality.
