LAST WEEK'S

MAN OF THE MATCH

Deivids Sarkanis scored twice in the epic comeback on Saturday night, and worked hard all night.

On the road at Bees, Jack Hopkins picked up his first MKL MOM award being busy in every phase of play during the win.

PLAYER PROFILE

38 year old Tim is a native of Anchorage Alaska, and has extensive experience playing and coaching at the highest levels of the sport. He left home at the age of 16 to play for the USA National Development Team in Ann Arbor Michigan where he won Gold medals at the Under 17 World Championships and Under 18 World Championships. His professional hockey CV speaks for itself.

COACH'S COMMENTS

Last weekend was a character builder for us. Saturday was one of the wildest games that I have been a part of. We had a lapse in the second and Leeds buried their chances. Being down 6-2 things could of turned ugly and individuals could of tried to do it on their own but we played the right way and crawled back. The crowd kept the momentum going and then the roof blew off when we won it in overtime. Sunday was quiet and could of been hard to get up for but we had a decent start and put some goals on the board. Telford is our focus this week. They play a fast, structured style, so we have to stay focused this week and keep the train rolling.
