## LAST WEEK'S

# MAN OF THE MATCH

Liam Stewart was once against on fire, grabbing another hattrick in Saturday's win. He's averaging 2 goals per game, and his impact on the team is huge.

On Sunday in a tight game, Jordan Hedley kept it tight and continued his strong save percentage, backstopping Lightning to a hard-earned road win in Telford.

## PLAYER PROFILE

Matt Smital is 23 years old and spent his development years in the Bracknell junior system. He spent a year with Swindon Wildcats in 17/18 returning a 89 save %, before moving to Slough Jets where he averaged over 90%. His brother Luke splits his time between Slough and Bees, and his father Lukas is a well known player and coach in this league. Matt is known for his imposing size in the net, but also his great agility and positional play to stop shots.

## LAST WEEK'S

# COACH'S COMMENTS

Last weekend we took some big steps in playing the way we needed to play. Basingstoke have played very well lately and we were focused on having a great start. It was a positive, solid game with a great crowd and it was fun to put on a show like that. We were ready to go from the start and had each other's back.

Sunday in Telford was the toughest test of the season so far. We weathered the storm early and stuck with it. We scored a goal early in the third and played the right way to keep the lead. It was a great team win and fun to be a part of. It doesn't get any easier this coming weekend but we will focus on Swindon, who on paper have one of the best teams in the league.
