LAST WEEK'S

MAN OF THE MATCH

James Griffin worked his hardest to try and make a difference in Saturday's game at both ends of the ice pushing to score and doing his duty defensively in a difficult game.

PLAYER PROFILE

Ed Knaggs is a smooth skating, puck playing left handed D-man, who thrives on the breakout to move the puck up the ice. He's 24 years old and was born down the road in Hemel, and split his junior development between MK and Bracknell. He's an international at U18 and U20 level, and re-joined MK from Bracknell Bees, where he was an assists machine in the 18/19 and 19/20 seasons. Last year for MKL he bagged 21 points in 46 games.

COACH'S COMMENTS

I thought we had a great start to the game and then had one turnover and they buried their chance. That gave Sheffield life and they were able to use that to play a solid road game. Overall, the majority of our guys did not play very well, and that cost us. We still out-chanced and out-shot them even though we were nowhere near our best. Credit to Sheffield they played a strong game defensively and made it difficult for us to generate chances off the rush. We will learn from this and keep moving forward.

Another test against a Swindon team who have been playing very well lately. They've played hard against us this year so we have to be ready for a battle.

NOTABLE PLAYERS

Sam Bullas is a long-time Wildcats player and their Captain. Last year Sam grabbed a hattrick against us so watchout for his scoring capability and his disruptive role in front of the MKL net.

Player Coach Aaron Nell picked up 85 points in the 2021/22 season, equally split between Goals and Assists. He's dangerous on the PP, and brings a good combination of man management and tactical skills which means Wildcats teams are always well organised.

36 year old Tomasz Malasinski is a consistent points provider for Wildcats, grabbing 53 points in the 2021/22 season. He is an international, having represented Poland for a number of years.
