# PLAYER PROFILE

21 year old Sam spent the majority of his junior career in the Swindon system, with a season in the Ontario U18 in 2017/18. On his return from Canada he spent some time with MK Thunder, before moving onto Slough Jets. In the 2021/22 season Sam was AIB MKL's second highest points scorer, picking up 35 goals and 34 assists in the regular season and a further 8 points in the playoffs. He quickly became a fan favourite, with his super speed, dynamic stick handling and lethal shot being too much for a lot of teams to handle.

# COACH'S COMMENTS

We definitely moved in the right direction this weekend. We were harder to play against than we have been in a while and found a way to get the four points. Tom Carlon had a great game for us on Saturday and Dan Crowe was solid for us on the weekend. I think we were playing with a little more bite in our game and we were more physical than we have been in the past. On Saturday we played fast and kept putting it behind their D, wearing them down hit by hit. Bees ran out of gas in the second and that's why we were able to comfortably get the win.

Telford on Sunday had some ups and downs. We had a few too many turnovers in the first. We tightened that up, and then for the most part played the right way. Going into the third with a one goal lead takes courage and focus. Besides a few mental mistakes we were solid and came away with the win.

It was established by a merger of several projects, Lesbian and Gay Link, established first as the lesbian and gay helpline in 1975 and the award winning charity, Youthline, established in 1985.

We are a professional organisation with high standards that manage a number of support, advocacy and advice services to communities in Milton Keynes and Bedford.

We are managed and run by local people who have detailed knowledge of the issues and challenges that organisations and individuals face locally.

It's our goal to create more and more safe spaces and resources to ensure the LGBTQ+ community is well represented and supported.
