LAST WEEK'S

# MAN OF THE MATCH

Sam Talbot took the award in Sheffield with a gritty, hardworking display and a goal and an assist for his troubles.

## PLAYER PROFILE

21 year old Tyler Nixon first came to MKL's attention when he guested for us during a Covid disrupted weekend early last year. He plays a sensible, straightforward game and is looking to continue to develop in the team this year.

He spent his junior years in the Sheffield system, captaining the U18's in a team which included some of his Sheffield opponents tonight. His NIHL National breakthrough came with Leeds, when he made 28 appearances for them before joining MK on a semi-permanent basis last season, making 27 appearances overall. We were delighted to formalise this arrangement and welcome Tyler as a full member of the MKL squad this year.

## COACH'S COMMENTS

Playing 3 games in 3 nights is always a battle. To come away with six points you have to rely on everyone. A lot of guys stepped up throughout the weekend and helped us become closer as a group. From the goalie out I was happy with the effort and willingness to buy in. Our special team played great all weekend and if we want to be successful that has to continue. Sheffield on Sunday is never easy. They are a physical team, and it got a little chippy at times. Overall, defensively we were pretty good and protected Heds well. We found a way to win, scoring a late goal from a good forecheck, and we just held on. It will be a tough game again this weekend and we are looking forward to it.

ALWAYS TEAM'S NOTABLE PLAYERS

Youngster Alex Graham has only played 11 games for the Steeldogs this season due to his 2 way contract with the Elite League Steelers. In his games he has amassed 15 points and is a player who possesses a lot of offensive ability and a dangerous shot. Alex is one of the top young players in the country right now and certainly someone to keep an eye on over the next few years.

Leading the way on the blue line is veteran Ben Morgan. A steady and calm head, Morgan has played in the Elite League, EPL and now the national league where he continues to be one of the most solid and reliable defencemen in the league every night.

Matt Bissonette brings experience from the major junior leagues in Canada and the Elite League. He's an assists machine, with 15+61 for 76 points in 40 games last year, look out for his playmaking skills and slick passing. This year he's also banging in the goals, and has 9+15 in 18 games so far.
