LAST WEEK'S

# MAN OF THE MATCH

It was a double MOM win for Bobby Chamberlain last week, picking up points in Peterborough and working hard throughout the game at home to Leeds. Bobby brings energy and a real sense of competition to the team.

# PLAYER PROFILE

27 year old Bobby was born in Hull, and learned his hockey in the Hull junior system, with some spells in North America to develop his game. His earlier senior career primarily centred around Hull teams, but includes over 80 EPHL games for MKL where he picked up 69 points.

Bob signed for MKL at the start of the aborted 2020/21 season, and appeared in the Streaming Series before being picked up by Nottingham Panthers for the Elite Series where he worked with MKL's Tim Wallace. Last season for AIB MKL he scored 36 goals and 78 points and was a huge influence on and off the ice.

# COACH'S COMMENTS

This past weekend was the biggest test of the year for us. Both games we deserved better but we have to learn from this. Friday the Talbot, Norris, Chamberlain line had a great game and kept us in it. We had a few mistakes that cost us, that we will learn from.

Another tough way to lose on Saturday. We worked very hard and needed to put them away when we had the chance. Some penalties were called late in the game and we do a great job killing off a 5 on 3 and they score on a great shot on the 5 on 4. Hopefully this weekend makes us stronger and we realize the small details of the game are what makes the difference. We are looking forward to another big game in Leeds.
