PLAYER PROFILE

27 year old Deivids was born in Riga, and has spent much of his development career in the Latvian leagues, including a number of seasons in the MHL, the feeder league to the prestigious KHL competition. In his career Deivids has also made a handful of KHL appearances himself, most recently in 2019/20.

After he finished his junior development at the age of 20, he spent some time in the top leagues in Europe, with stints at Morzine in France, Kitzbüheler EC in the Alps league, and then finished the 2016/17 season with Nottingham Panthers in the Elite League. Since then, he has returned to the Latvian leagues, with a spell in Sweden in the 2020/21 season.

AWAY TEAM'S NOTABLE PLAYERS

20 year old Austin Mitchell-King is with Peterborough on a 2-way with Coventry. Austin starred for Telford last year, picing up 35 points in 47 games, and really showing his development as a player. He's skilled and active on offence and could be in the points tonight.

Lukas Sladkovsky signed from Raiders where he scored over a point per game last year. So far this year, he seem's re-energised in his new club, and creates scoring chances and makes a nuisance of himself all over the ice.

Callum Buglass is a d-man who sometimes goes under the radar. He plays an honest, straightforward game which is highly effective on defence, earning him a well deserved spot on the league all-star team last year. Already this year we've seen him start to further develop the offense side of his game too.
