LAST WEEK'S

MAN OF THE MATCH

Sam Talbot continued his good run of form in Saturday's game, snatching a stunning equaliser with 5 seconds to go.

On Sunday, James Griffin worked tirelessly in a tough encounter up in Sheffield and was rewarded with the MoM gong for his efforts.

PLAYER PROFILE

Liam Ramshaw is our physio and first aider. He provides excellent service in emergencies to deal with injuries during the game, as well as supporting the team at training and before and after games by providing massage, therapies and treatments to soothe aching muscles and joints. Liam is trained in everything from fixing cuts to managing concussions protocols and return to play and we really couldn't survive without him! Thanks Liam!

COACH'S COMMENTS

It was a huge weekend for us but unfortunately we came up short. We have a lot of guys battling through some illnesses and injuries and I'm proud of each and one of those guys for playing through it this weekend. Saturdays game was an even game we just took our foot off the gas in the second and gave them life. A few mental breakdowns cost us and forced us to play catch up in the third. The equalizer with five seconds left was probably the loudest I've heard it in that rink. I really thought we were going to win in overtime but came up short.

Sunday for whatever reason we didn't have much left in the tank. Sheffield played a strong game, and nothing was going our way. There's still a chance for the league title and we are going to be pros and be ready for a tough match up against Telford at home. We need to get back to playing the way that has made us successful and hopefully we can get some bodies back.

LAST HOME GAME

NOTABLE PLAYERS

Bradley Day is a goaltender who brings a number of years of Elite League experience and was Tigers' number one choice last year playing 44 times across the season.

Rory Herrman joined Telford midway through the season having been released by Cardiff. The Devil's loss is the Tiger's gain, as he's scored 27 points in 12 games since joining and has been a big part of Telford's return to form. Rory is 23 and came to the UK off the back of a successful college career in the USA.

Vladimir Luka is a goalscoring machine. The Czech born forward has scored over a point per game for a number of seasons in a row, and prior to Telford was with Sheffield, spent time in Poland and his native Czechia.
