

BENCH WITH THE LIGHTNING

Book a behind the scenes **Bench with the Lightning** experience for you and your friends for an upcoming match.

Here's what you get:

- 1 Meet your experienced **tour guide** for a pre-warmup chat outside the Lightning locker room where they will tell you what you can expect from the tour and answer any questions.
- 2 During the game warmup, you'll be ushered past security and into the Lightning **locker room**, where you can see what's behind the Zeus door. Find your favourite player's stall and grab a pic with their name tag. Meet some of the behind the scenes team and hear their stories. Ask questions and grab selfies!
- 3 After that, it's round the rink to **the bench**, where you'll be taken rink side to see the rest of the warmup close. Some of the players are sure to come over and say hi. For special requests, please let us know.
- 4 Grab your **souvenir photos**, and then make your way to your allocated seat to watch the match.

Reserve your Bench with the Lightning experience now for any match for the rest of the season (subject to availability).

All bookings require you to purchase your own match tickets via the Planet Ice system. If you are an MK Lightning Season Ticket Holder, just sit in your seat/space as normal and upgrade to Bench with the Lightning.

COACH'S COMMENTS

Saturday was an emotional evening for everyone. It was a beautiful ceremony with love felt throughout the rink.

We had a slow start with a couple breakdowns but stayed resilient and left with the lead after the first. We finally started playing our game in the third and we pulled away. The fans were great and helped us get the 2 points.

Sunday in Hull minus 4 key players was a battle. We had a slow start again with some guys not mentally engaged. We were on the wrong end of an offside call which ended up being the difference. We will get back to work this week and learn from it. The focus this weekend will be our starts and being on the same page. When it clicks for us we are a dangerous team and hard to play against. It's just about putting it together for 60 minutes.
