

LEWIS CHRISTIE
#66

34 year old Lewy was born in Edinburgh, Scotland and began his career with Dundee and Edinburgh before earning his first international callup with GB U18s for whom he iced 9 times. Lewy then forged his career in the Elite League with Belfast Giants, and a brief stint in Basingstoke, before joining MKL in 2008. He has remained with the MK hockey family since then, and last weekend saw him play his 600th game in an MK Lightning Jersey (one of only 3 players to do this).

Lewy plays hard all game long, and is well known for his ability to close down opposition forwards, and for playing a critical role on the Penalty Kill where he will often take the first 60 seconds and make it disappear. He's a superb team player, and is relied on by his team mates to make intelligent, consistent plays in his own end and press the team up the ice.

Last season Lewy was made Captain of the team by his team-mates, and led the team on and off the ice.

Please join us to celebrating this huge achievement -

COACH'S COMMENTS

Both games this weekend we didn't have the start we wanted. On Saturday we got going in the second and Dillon's line played a great game. Will played great and we got the two points in front of a great crowd.

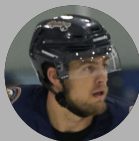

On Sunday we gave Hull some easy looks early and we had to play catch up. We were very close to tying it up in the second period but missed a couple great chances. Hull parked the bus and made it difficult for us to crawl back. We will get to work this week on small area battles to prepare us for a cup semifinal in Swindon. Then it's back to home ice against an offensive group at Raiders.

Jake Sylvester is a key player for Raiders IHC, having played 31 games with a notable contribution of 36 points. His scoring prowess is highlighted by 24 goals, complemented by 12 assists. Sylvester's ability to find the back of the net is primarily showcased during even-strength play, with 20 even-strength goals. Despite a relatively low penalty minute count of 4, his scoring impact is significant, particularly in crucial situations.

Aaron Connolly is a vital asset to Raiders IHC, with 32 games under his belt and a total of 27 points. His balanced scoring record includes 12 goals and 15 assists, demonstrating his dual threat as both a scorer and a playmaker. Connolly's contribution is spread across different play situations, with 10 even-strength and 5 power-play points. His 29 penalty minutes reflect his aggressive playing style, which, combined with his scoring capabilities, makes him an intriguing player to watch.

Coy Prevost is a standout defenseman for Raiders IHC, displaying his prowess in just 17 games with an impressive 20 points, comprising 4 goals and 16 assists. His offensive contribution is notable, especially for a defenseman, with balanced scoring across even-strength and power-play situations. Prevost's 27 penalty minutes reflect a combination of physicality and aggression in his gameplay.
