COACH'S COMMENTS

Friday games on the road are never easy. I thought we had a good start and then made some mental errors. I just think overall Romford wanted it a little more and that was the part of the game that hurt the most. We all know after that game that we have more to give. It is still early in the season and we are still learning, but we need to bring everything up a level.

Saturday in front of a good crowd we came out flying. We had some spells during the game where we were dominant and playing the way Joe and I stress week in and week out. The best part about the weekend was how we stuck up for each other and had each others backs. It was great to see. Looking forward to a battle against a solid Peterborough team to get the weekend started.
