LEEDS KNIGHTS

RECENT MATCHES

MAN OF THE MATCH

In Saturday's dominant 8-0 victory over Solway Sharks, netminder Will Kerlin stole the spotlight, earning Man of the Match for his flawless shutout performance. Dubbed the 'Kerlin Wall,' he made a series of outstanding saves to keep Solway off the scoreboard. On Sunday's away trip, it was Patrik Forsberg who took the honours, contributing two goals and an assist to secure another crucial win. With MK Lightning pushing hard in the league title race, every point counts and this was a vital 4 point weekend.

PATRIK FORSBERG

PLAYER PROFILE

Patrik Forsberg is a dynamic defenseman known for his physical presence and solid two-way play. Forsberg began the 2024-2025 season with Golden Sharks Mechelen in the CEHL, recording 5 goals and 13 assists in 17 games, before making the move to Milton Keynes Lightning. In the 2023-24 season, Forsberg split his time in Finland's Mestis league between Hokki and KeuPa HT, recording 11 assists across 37 games. His experience and versatility on the blue line have made him a key addition to the MKL roster, strengthening the team's defensive core for the remainder of the season.

COACH'S COMMENTS

A pivotal point of the season and we found a way to get a 4 point weekend. Saturday we played some solid hockey in the second and third periods. We played fast and kept going at them and things started to open up for us as the game went on. It was a fun environment with our crowd doing what they do best.

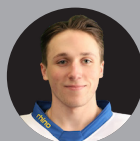

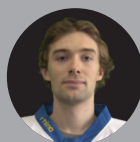

A long road trip up to Hull was always going to be a battle. We had a good start and lost focus for some points in the second period. We have some things we want to clean up this week and hit the ground running come Saturday night. We are all looking forward to the challenge ahead.

Mac Howlett was a crucial part of the Leeds Knights' attack in the 2023/24 NIHL season, registering 73 points (35 goals, 38 assists) in 53 games. His ability to play both center and wing adds flexibility to the Knights' lineup. Howlett's playoff performance was also notable, contributing 15 points (6 goals, 9 assists) in 8 games. His offensive output and versatility make him an indispensable asset for Leeds.

Kieran Brown once again demonstrated why he's one of the top players in the NIHL during the 2023/24 season, leading the Leeds Knights with an astounding 122 points (61 goals, 61 assists) in 52 games. As team captain, Brown's leadership on and off the ice is invaluable, guiding the Knights through a successful campaign. His playoff numbers were equally impressive, with 14 points (7 goals, 7 assists) in 8 games. Brown's scoring ability and leadership will be pivotal as Leeds Knights pursue further success.

In his first full season with the Leeds Knights, Bowdyn Neely established himself as a solid two-way defenseman. During the 2023/24 NIHL season, he contributed 35 points (5 goals, 30 assists) in 54 games, demonstrating his ability to support the offense while maintaining his defensive responsibilities. Neely also added 6 assists in 8 playoff games, showcasing his consistency in high-pressure situations. His steady presence on the blue line will be crucial for the Knights.
